

BIG FIRE SALE

Many of the wise ones profited by our big Storm Sale. The hail storm caused damage to much of our stock and we had to get rid of it at ridiculously low prices. That the public appreciated the values we were offering was shown by the quick way things went. We had sold most of our stock that was damaged by the storm and had filled in the space with new and fashionable clothing and furnishing goods when the fire occurred in the adjoining Gosewisch building. Our place was again flooded and some damage was done by smoke. The Insurance companies have made satisfactory adjustment and so we are enabled to offer you goods not appreciably damaged at unheard-of prices. Many are looking forward to this sale and the rush will be immense. Come early and be sure to get in on some of the good things.
